Description: The purpose of the Wireless Voice, Data & Accessories – NASPO contract is provide Cellular Voice, Data services and Accessories.

Brief Summary of Results: The new contracts were executed via a Participating Addendum (“PA”) with NASPO Value Point and the State of Utah. The NASPO solicitation was divided into 4 award Categories with the State of Arizona executing contracts for 3 of the categories.

Award Category	Firm Name
Category 1: Wireless Voice and Data	AT&T, Verizon Wireless, Sprint, T-Mobile
Category 2: Wireless Accessories and Equipment	AT&T, Verizon Wireless, DiscountCell, Sprint, T-Mobile Note: DiscountCell contract (CTR045264) was previously executed
Category 3: Turnkey Wireless Solutions	Category 3 has 13 Subcategories (3A-3N) awarded individually. Prior to issuing a PO/Task Order, please have ASET or you IT Security review the solution.

The initial term of the contracts is from April 1, 2021 to August 11, 2024 and may be used by all Statewide

Agencies and Co-Ops. If NASPO exercise their option to extend the contract an additional 5 years, the State intends to participate and a greater than 5 year determination is in the file.

Note: Sprint has merged with T-Mobile and is governed by amendment two (2) of the T-Mobile Master Agreement. The intent of the Sprint contract is to allow continued service until such time that those lines of service have been converted or contractual requirements have expired. Sprint does not intend on offering new lines of service or phones under this contract.
