Re: FY 2025 Procurement Training Needs Assessment (Due by Next Week)

As part of our ongoing commitment to your professional development and continuous improvement, we request that you kindly participate in our [Training Needs Assessment](#). Your feedback is essential to us, as it helps us improve our training initiatives and tailor our training programs to meet your training needs. Your honest responses will also help us prioritize the areas that matter most to you.

If you have not completed the training needs assessment please **complete it by EOB on Friday, May 31st**. Your prompt response will enable us to efficiently analyze the data and implement any necessary changes during the new fiscal year.

If you have already completed the assessment, thank you! You do not need to submit additional responses.

Click [Training Needs Assessment](#) to access the assessment **(Complete by EOB Friday, 5/31/24)**
