Re: SPO Academy Course Times (Tracorp Update)

Good morning,

Tracorp recently updated their system over the weekend. However, we have noticed that the update has affected the course times for SPO Academy/APP courses on the user-end side.

Despite this, I encourage you to continue registering for courses you wish to attend as usual. You can find all course offerings and *correct* times by visiting this [link](#).

We have already reported this issue to the ADOA LMS Support team, who have raised a ticket with the vendor. We apologize for any confusion caused and thank you for your patience.

If you have any questions or concerns regarding SPO Academy courses, please contact John.Jimenez@azdoa.gov.

Best regards,

SPO Training Team
