Re: ADOA Risk Management Insurance Modules

ADOA State Risk has added a Microsoft Word version of the state's required insurance modules:

[Insurance Modules](#)

SPO is in the process of revising its RFP Solicitation Requirements document to allow procurement officers to attach the insurance modules as a separate addendum to the solicitation to reduce the amount of time required to properly format the document. A new SPO Alert will be sent when the documents have been posted to the SPO website.

Thanks,

Kerry
