RE: Revisions of SP 044 and TB 045

The State Procurement Office (SPO) has posted the following Standard Operating Procedure and Technical Bulletin to the SPO website. Please ensure you and your staff review and pursue the instruction provided in both documents. Below is a recap:

SP044 - Has been revised and replaced. Revision consists of an outline of specific duties and expectations regarding document review submittals.

TB045 - Has been revised and replaced. Revision consists of clarity regarding the associated policy.

Both documents are now posted to the SPO website. <https://spo.az.gov/administration-policy/state-procurement-resource>.

If there are any questions, please let us know.

Thank you,

SPO Compliance Dept.
