Print Services

PROPOSAL:

Arizona Correctional Industries is requesting approval from the Set-Aside Committee to provide Printing Services through a set-aside contract to the State of Arizona. This contract would operate out of the Arizona Correctional Industries Print Shop located on the grounds of the Arizona State Prison Complex Perryville in Goodyear, Arizona.

BENEFITS:

The State of Arizona would benefit from consistent, quality printing services at a fair, competitive market price.

COVERAGE:

Arizona Correctional Industries currently serves customer from around the State of Arizona with a primary focus towards Maricopa County.

DESCRIPTION OF SERVICE:

State Agencies, Board and Commissions, and Cooperative members have an ongoing requirement for Printing Services which Arizona Correctional Industries is able to provide as an approved set-aside provider.

CAPABILITIES:

Arizona Correctional Industries has been serving the State of Arizona for over 20 years with an ever increasing state-of-the-art line-up of digital printing and prepress, sheeted presses, web presses, and bindery operations in addition to providing a team of graphic designers in our in-house studio to meet all your needs.

Print Shop Services

What services does your print shop provide?

- **Offset Printing - Snap Out Forms?**

  Yes, we offer snap out forms. If you're talking about carbonless sets we typically edge glue these forms but we can offer a mfg. stub or line h—ole stub depending on need, or request. We print hundreds of thousands 2, 3, 4, part carbonless forms regularly for the Department of Corrections and many other state agencies.

  We also print a 28 part line hole stub form on bond paper for another state agency; This form is produced on our 17" web offset press and then collated to sets on a roll collator.

  In addition to the web offset press we have a couple sheet fed offset presses as well as 2 Digital Imaging presses that can and do produce quality commercial printing. These presses utilize dry offset inks.

- **Digital Printing - Type, sizes?**

  The digital imaging machines mentioned above are digital in the way they receive their files directly fed from a computer. These files are digitally lasered to plate on press allowing full 4 color process imagery and output to the highest quality. One of these presses is also equipped with an aqueous coating unit. We print millions of Hickman's egg labels, that you find on the clear egg cartons in all the grocery stores, on these presses.

  We also have 2 full color and 1 Black/White high speed production Konica Minolta Biz-Hub copiers to handle a myriad of other digital work. Sheet sizes on all of these presses is about 13" X 19".

- **Variety of Paper Finishes – What Type?**

  If you're talking about paper types I carry such a wide variety. I buy a C1S sheet by the millions as well as a silk finish paper by the million, since I can get a 60# offset pretty fast I usually only buy a couple hundred thousand sheets at a time. I have an extensive warehouse of paper in different colors, weights, and finishes.

- **Bindery - What types of binding do you provide?**

  We have a full service bindery, everything from saddle stitching to spiral bind to die-cutting and any kind of hand work necessary. About the only thing I can think of that I can't do is perfect bind or large format laminating (yet).

- **Large format paper printing - to what size?**

44" width is my large format capability.

- Vinyl Printing - What are the requirements?

  Although I have a large format machine I prefer not to do vinyl here but send this to another print house that does good work and is inexpensive. I don't have enough volume of this kind of work to justify.

- What do you charge for your services?

  Prices vary. Since just about every job is custom or at least has too many variables to put into a pricing catalog it is easier to quote each job independently.

- What is your average turnaround time?

  Customers driven based on need. Most jobs can be turned around in 7-10 days which is pretty much industry standard but I like to focus more on the 5-7 day aspect of things. If a customer needs something right away I do my best to get them what they need.

- Do you outsource any of your jobs or do you complete them all in-house?

  Pretty much all of my work is done in-house, approximately 95% or better.

- Do you deliver print jobs or are your customers expected to pick them up?

  I have a dedicated delivery driver. If it is in the Phoenix area I will deliver. Outlying areas like Anthem or Apache Junction will FedEx or make other arrangements. Since we do a lot of work for state prisons ACI has a warehouse and shipping department that has trucks delivering to those sites that we also utilize.

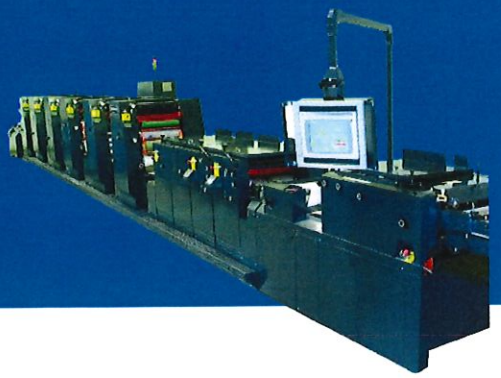
ACI Print Shop offers full 4 color process printing as well as spot color printing, from small to large runs. We offer a wide range of printing services from graphic design to offset and digital printing to a full bindery service.



Case Study:

Organization: Hickman's Family Farms

Challenge: After years in development, the engineers at the Southwest's largest egg producer had finally created a new design for egg cartons. This new clear design, made from recycled plastic, helped reduce waste created when customers broke eggs while opening cartons to examine the eggs. The clear recycled and recyclable-plastic packages promised to change the egg carton forever. The challenge to Hickman's was to find a reliable, cost efficient and local source for the labels that are inserted into their plastic cartons.

Solution: ACI Print Shop managers met with the Hickman's team to find ways to produce the 30 different carton labels. New printing equipment was identified and procured for this specialty print job. Not long after identifying the process and making refinements, the ACI Print Shop began printing and die cutting Hickman's Family Farms labels for their new carton design. This made it possible for the entire packaging process to be done locally, cost effectively and expeditiously. Currently more than a million labels are produced weekly.

Case Study:

Organization: Arizona Department of Economic Security, (DES), Unemployment Office

Challenge: With sudden upsurge in workers filing for unemployment insurance at the start of the COVID-19 crisis, the Arizona Department of Economic Security (DES) quickly needed to get supplies of their Unemployment Filing Instructions booklet into their offices throughout the state.

Solution: The ACI Print Shop, located within the ASPC-Perryville Women's Prison complex, had been printing the brochures for years. But with near full employment for the last few years there was little need for them. Fortunately, the Print Shop still had the digital files (InDesign) for the brochure and was able to quickly make updates to it with instructions from the DES representative. Within hours, the first batch of updated Unemployment Filing Instructions booklets was rolling off the presses.
By the end of the week, state employment offices started to get supplies of this important 24-page, 5" x 7" booklet. Within just a couple months' time more than 500,000 copies were produced and delivered.

When Requesting a Quotation for Printing Services

Please use the attached Printing Worksheet to outline your specific requirements. When you are ready, contact Allen Drury (adrury@azadc.gov) or Gloria Anaya (ganaya@azadc.gov) and scan your worksheet to them at the ACI print shop at the Arizona State Prison Complex Perryville, located in Goodyear, AZ. The direct line phone to the ACI Print Shop is (623) 853-0148.

Once your request is processed, Allen Drury or Gloria Anaya will contact you via email or phone with any additional questions pertaining to your request.

Within 48 hours you will receive a quotation from ACI with a cost and time frame for your Printing job. If you wish to proceed with your quote you would need to sign, date, and return it to Arizona Correctional Industries indicating you wish to proceed. A sales order will be created and at this point a proof will be generated (if required) and you will be asked to approve it, or make any necessary changes. Once this is complete, your print job will be completed.

At the completion of your order, you will be notified that your print job will be delivered or will be ready for pick-up. If your order is shipping out of the Maricopa County area we will make shipping arrangements at that time.

Thank you for your support of the programs and products of Arizona Correctional Industries.

I acknowledge receiving custody of the animal described above from HALO for which:

1. ____ (initial) I understand that every effort is made to place only healthy animals and that HALO makes no guarantees regarding the nature, disposition or health of this animal. Not all animals have been examined by a veterinarian. I understand I should keep this animal separate from my current pets for 10 days to reduce the chance of spreading any contagious diseases the animal may be incubating. I also understand my pets at home should be current on vaccinations before introducing a new family pet.
2. ____ (initial) ANY medical bills incurred for any reason from this day forward for this animal will be the responsibility of the adopting party.
3. If adopting a cat, I agree to keep it indoors at all times to the best of my abilities unless I am supervising the animal outdoors.
4. I will take this animal to the veterinarian for booster vaccinations if needed, as well as yearly examinations and immunizations. I will not cosmetically alter this animal's appearance i.e. dock tail or crop ears.
5. I will always provide adequate food, water and shelter.
6. I will not transport the animal in the bed of a truck unless contained in a kennel.
7. I will not leave the animal in a vehicle when the outdoor temperature is above 70 degrees fahrenheit.
8. I will not, nor will I allow others to use this animal for experimental purposes.
9. I will allow a home visit by HALO personnel, and will surrender this animal if the HALO representative feels that the conditions are unsatisfactory.
10. ____ (initial) I understand that I have 10 days to exchange this animal for a voucher that will apply the original adoption fee towards another animal. HALO reserves the right to refuse to extend the offer of a voucher.
11. ____ (initial) I understand that if I need to return the pet I can contact HALO to inquire about returning the animal. If I rehome the pet on my own I will ensure the microchip and license information is updated with HALO and the manufacturer(s).
12. I assume all risks and responsibilities of ownership and indemnify HALO against any claims for damages including property and personal injury.
13. ____ (initial) I understand and agree that any sum I have given HALO is a donation toward their work in rescuing and caring for dogs and cats, and this donation is NOT REFUNDABLE. All returned checks will incur a $25 returned check fee.
14. I understand and agree that any breach of paragraphs one through thirteen above constitutes grounds for HALO to rescind this contract, in which case ownership of this animal will revert to HALO. I agree to pay the court costs and reasonable attorney fees incurred by HALO in enforcing this contract.
15. HALO PARTNERSHIPS: At HALO, our mission work is made possible in part because of several important partnerships that help us save animal lives. HALO will provide base contact information for you to our partners in order that they may extend to you special offers and opportunities for you and your pet. HALO takes the privacy of all our adopters very seriously. If you do not wish to participate in these offers or receive communications from our partners, simply opt out of all further messaging once they make contact with you.

VICTIM OFFENDER DIALOGUE (VOD)

VOD provides an opportunity for eligible victim/survivors to meet with an offender face-to-face in a safe and secure environment with the assitance of a trained facilitator. VOD is strictly victim-initiated, victim-driven, and victim-sensitive. VOD may not be for all victims, but for certain victims/survivors of severe violent crimes it can be an extremely empowering and/or healing experience.

PAROLE

Inmates with crimes prior to 1994 are still eligible for parole and may have a parole hearing. This hearing/victim notification (upon request) is handled by the AZ Board of Executive Clemency (BOEC). After 1994, most inmates will serve about 85% of their sentence in prison and the remainder of their sentence under Community Supervision.

COMMUTATION OF SENTENCE

Inmates may request that the Governor reduce or commute the sentence. Inmates are eligible to request clemency if they have served at least two years of their sentence with at least one year left. Inmates with special circumstances can also request clemency. This request/victim notification (upon request) is handled by the BOEC.

POST-CONVICTION RELIEF

Immediately after sentencing, an inmate may request Post-Conviction Relief to reduce the sentence. This request/victim notification (upon request) is generally handled by the original sentencing court.

DIRECT APPEALS

Many inmates convicted by a jury appeal their sentence. Victims/Survivors in these cases receive notification through the AZ Attorney General's Office upon request.

Victims' Rights:

They don't end after sentencing.

INFORMATION ON THE INTERNET
www.azadc.gov

Information can be accessed about an inmate via our website. Click on the "Public Resources Tab" and then the Inmate Data Search button. You can then enter the inmate's ADC number or do a name search. You will then find the following inmate information:

- **Picture (upon arrival)**
- **Current location**
- **Projected release date**
- **Crime and sentence information**
- **Risk Classification (5 high, 1 low)**
- **Disciplinary history**
- **Work/wage history**
- **Detainers (other agencies with charges)**
- **Parole action and Parole placement**

For details about any of these items, please contact our office.

ARIZONA DEPARTMENT OF CORRECTIONS

Office of Victim Services

Treating Victims with Fairness, Respect & Dignity

The Arizona Department of Corrections (ADC), Office of Victim Services (OVS) ensures that all crime victims are treated with Fairness, Respect, and Dignity throughout the inmate's incarceration and supervision periods.

SERVICE TO CRIME VICTIMS AND SURVIVORS

- Explain, clarify, and help exercise victims' rights.
- Provide updates regarding the status of an inmate.
- Provide restitution facts and assistance.
- Accompany to parole/clemency hearings, executions, and other criminal justice proceedings.
- Assist with a victim's right not to receive mail from the inmate.
- Facilitate requests to deny early release for an inmate.
- Serve Orders of Protection or Injunctions Against Harassment to inmates in custody.
- Provide opportunities for participation in the Impact of Crime on Victims classes.
- Educate ADC staff, criminal justice agencies, schools/universities, community partners, and non-governmental organizations about victims' rights and services.

POST-CONVICTION NOTIFICATION

ADC OVS will notify victims/survivors of an inmate's **release, escape, or death. How do I register for notifications?**

- A signed Post Conviction Notification Request (PCNR) Form, which comes from the prosecutor's office, must be received by the OVS.
- You must be the victim, family member, or lawful representative of the victim.
- The inmate must be under the jurisdiction of ADC.
- ***It is your responsibility to update your address and phone number.***
- Keep in mind, ADC is not the only agency that notifies victims of post-conviction activity.
- Please refer to the PCNR for other agency information.

AZ Department of Corrections

Office of Victim Services

POST-CONVICTION VICTIMS' RIGHTS

- To be treated with fairness, respect, and dignity and to be free from intimidation, harassment, or abuse throughout the criminal justice process.
- To be informed, ***upon request***, when the accused or convicted person is released from custody, escaped, or died.
- To be present at, and ***upon request***, informed of all criminal proceedings where the defendant has the right to be present.
- To receive prompt restitution from the person(s) convicted of the criminal conduct that caused the victim's loss or injury.
- To be heard at any proceeding when any post-conviction release from confinement is being considered.

RESTITUTION

- Restitution ***must*** be ordered by the judge.
- ADC will set up restitution deduction. Per AZ Revised Statutes, ADC will deduct a fixed amount from the inmate's income.
- All restitution collected is sent to the Clerk of the Court, who will disperse the monies. This usually does not occur until the balance has reached $30.00.
- ***You must keep your address updated with the Clerk of the Court in the county in which the restitution was ordered.***
- When the sentence ends, any unpaid restitution will be converted to a Criminal Restitution Order, which is a civil judgment against the offender.

Victims' Rights: They don't end after sentencing.
